Kogi short rib tacos

Roy Choi's kalbi tacos with salsa verde, cilantro-onion relish and a soy-dressed scallion slaw

Serves 4 · **Prep** 20 min · **Cook** 10 min · Adapted from masterclass.com

The taco that started the Kogi truck: grilled kalbi crisped on the griddle, then stacked with three toppings. Make the Kalbi marinade, Kogi vinaigrette and Salsa verde first, and dress the slaw generously.

INGREDIENTS

For the cilantro-onion relish

- ½ medium white onion, finely chopped
- A small handful (¼ cup) cilantro, finely chopped
- Juice of ½ lime (about 1 tbsp)
- Kosher salt, to taste
- Freshly ground black pepper, to taste

For the scallion slaw

- 6 scallions, trimmed and cut on the diagonal into thin strips
- About 35 g (½ cup) green cabbage, thinly sliced
- About 25 g (½ cup) romaine lettuce, thinly sliced
- A pinch of kosher salt
- A pinch of freshly ground black pepper
- Kogi vinaigrette, to taste

For the tacos

- Neutral oil, such as canola or grapeseed, to coat the pan
- 8 small corn tortillas (11 cm, 4½ in)
- 450 g (1 lb) cooked kalbi, bones removed, chopped into small chunks
- Salsa verde, to taste
- Lime wedges, for serving

METHOD

1. **Make the relish.** Stir the onion, cilantro and lime juice together in a bowl, season with salt and pepper and set aside.
2. **Make the slaw.** Toss the scallions, cabbage and lettuce in a bowl with the salt and pepper. Add a few large spoonfuls of the vinaigrette and toss gently, adding more until the slaw is well coated and a little dressing pools at the bottom of the bowl.
3. **Warm the tortillas.** Film a large skillet or griddle with oil over medium heat. Cook the tortillas, in batches if needed, about 30 seconds a side, until soft and pliable and just starting to crisp. Keep them warm stacked at the edge of the pan, or under a towel on a plate.
4. **Crisp the kalbi.** Put the chopped kalbi on the hot pan and cook for about 2 minutes, until it caramelises and browns at the edges.

5. **Build the tacos.** Stack two tortillas per taco. Top with the kalbi, spoon over the salsa verde, add the relish and finish with a pile of slaw. Serve straight away with lime wedges.

NOTES

- Vegetarian: use 450 g (1 lb) grilled, roughly chopped mixed vegetables in place of the kalbi. The source pairs them with Roy Choi's BBQ mixed vegetables, which aren't on this site yet.
- The relish and slaw are best made just before serving; the slaw wilts as it sits in the dressing.
